Genesis 3 Drawer Chest

W42 D19 H35 in.

Gmelina Solids with Walnut Veneers

Pin Shell Drawer Pulls

Convex walnut surfaces create unique drawer faces, as well as side panels, and add a faceted appearance to this handsome three drawer chest. The tapered posts provide an artisan quality and meld nicely into the faceting. The drawer pulls are made of pin shell and blend well with the light walnut finish.

Available as shown only.
