Maple Solids and Veneers with Shagreen Door Panels

No distressing.

Shown in Custom Finish: **-00 Combination**

-79 Stone with Ivory Shagreen

Note: Shagreen available in Ivory, Taupe, or Charcoal

Classic four door cabinet with inset shagreen doors, three adjustable shelves and a tray drawer with silver liner. Functional in a dining room or an entertainment area. The framed in shagreen panels are appointed with a handsome medallion pull. With choice of custom finish and color of shagreen the customizable opportunities seem endless.
